Members additional ID's request for the MexFix Production Environment

Since MexDer, provides the first two ID's free of charge (1 for Market Data and 1 for Trading) in order to access the MexFix production environment, the following request must be filled in by the Institution interested in to obtain extra ID's. Each additional ID will cause a monthly charge that may vary depending on what it will be used for ("market data" or "trading") and it shall be paid by the Member.

This request must be send by Fax to the following number (5255) 5342 9912 to Irma Gonzalez.

When the request is received by MexDer, a contract will be created and signed by MexDer and the interested Institution (Member).

For assistance please send an e-mail to the following address mexfix@mexder.com
